CGPA: 3.17

## WORK EXPERIENCE

---

### Projects

July 2024- Present

- Learning React
- Project Netflix clone, NewsApp, E-commerce website

### Final Year Project

June 2023 - July 2024

*Team Project*

- Front-end with React
- Back-end with Mern
- Scrapping with Puppeteer
- This is a platform where products and it's data are scrap from different E-commerce websites which consumes less time for customers in decision making.
- This idea is already in the market named as Pakistanstore.com
- Our innovation is selling used products like OLAX, comparison between products through ratings, description, quality, specifications etc
- Customer didn't need to search for other websites like which product they should buy, our website sharp our customer decision making and takes quick to decides what to choose.
- Its completed and scored 97%.
